## Qualifying at Crofton

To become one of the fortunate five that make the team you must earn your spot on the roster by competing in the season long points standing.

### Points

Every event gives you the opportunity to earn points.

The more you play, the more points you earn.

Larger fields will net the opportunity for more points.

Each event will have a point for every player in the field net and gross.

*Example: 10 players in the field.*

*The player who finishes 1<sup>st</sup> gross will earn 10 pts and the player who finishes last gross will earn 1 pt.*

*The player who finishes 1<sup>st</sup> net will earn 10 pts and the player who finishes last net will earn 1 pt.*

*So each player will earn at least 2 pts, even if they manage to finish last in both gross and net in any event.*

*The points race will be updated weekly and posted on the bulletin board in front of the Pro Shop.*
